What's been happening

As we come to the end of term, I'm sure everyone is looking forward to a well-earned break! We'll be wrapping things up with a Colour Run – it's going to be a blast, so get ready for some fun.

This morning, the Salvation Army kindly served our students a delicious pancake breakfast and hot chocolates – what a treat! A big thank you to the students who offer to help me in the kitchen. I'll be inviting more kitchen helpers in Term 4, and I'm excited to have some extra hands on board.

Poetry Day was another highlight of the term. I was so proud of the way our Amamoor students listened patiently and showed respect to all the speakers. We celebrated a few award winners and discovered that we have some very talented poets in our school – well done, everyone!
