

HALLOWEEN DISCO

The background is a dark orange-red gradient. In the center is a large, bright yellow full moon. In front of the moon is a black silhouette of a haunted house with a cross on its roof and a small figure on a broomstick flying nearby. To the right of the house is a black silhouette of a gnarled tree. Several black bat silhouettes are scattered around the moon and house. The text is arranged around these central elements in various colors and fonts.
