What's Happening

Table Tennis Tournament Kicks Off!

The energy in the school is electric as our Grade 3-6 students have begun their much-anticipated table tennis tournament. We begin with doubles games. Stay tuned for updates on our budding champions!

Chappy programs/sessions

Our Year 6 students have embarked on a special 4-week preparation program every fortnight to help them transition smoothly into high school. This program is all about building confidence and skills to navigate the exciting changes ahead.

Last week, we started again on our friendship program. We explored what makes us unique, engaged in fun “get to know you” activities, and discussed the qualities of a good friend. The students shared thoughtful insights and connected in meaningful ways.

Good Friend Award

To celebrate the power of kindness and connection, we introduced a *Good Friend Award* last term! Students can now nominate a peer who has shown what it means to be a great friend—whether it's through kindness, support, or inclusivity. A nomination box is set up in the school library, and we can't wait to see the heartwarming nominations roll in. Let's keep fostering a community where everyone feels valued!

As always, I'm here to support our students and families. If you'd like to chat or share any ideas, please don't hesitate to reach out. Here's to a term filled with growth, fun, and friendship!

Blessings,
Chappy Kim
